The Virginia Tech Ring Tradition

The Virginia Tech Class ring embodies and invokes memories, traditions and pride that tie Hokies, young and old, together. The tradition began in the 1911-1912 school session. Since the beginning, each Virginia Tech class has designed a ring distinctive and unique to its class. Today, Virginia Tech is one of only a few colleges and universities that redesigns its ring collection each year.

Each year, the sophomore class selects a Ring Design Committee responsible for designing and marketing their class ring collection, adding elements that reflect their class experiences on the class side. All ring designs have an eagle and crossed sabers, usually found on the university side and symbolizing the military heritage and traditions of the Corps of Cadets. The chain links that have encircled the ring bezel on Virginia Tech rings since 1940 represent class unity, the strength of many united as one.

Beginning in 1991, each class began naming their collection in honor of an outstanding Virginia Tech personality. During each class's junior year, the collection is unveiled in the fall at the annual Ring Premiere. Rings ordered in fall are delivered the week of Ring Dance, held in the spring of the class's junior year.

Ring Dance

The first Ring Dance was held on April 27, 1934, when the saber arch, ring figure and presentation of the ring by the junior's date were introduced. The Virginia Tech Ring Dance symbolizes a hallmark in a Virginia Tech student's career. The university president presides over the official ring presentation. The Corps of Cadets juniors enter the ballroom and form the ring figure in the shape of the class numerals. They are then joined with their dates who are escorted by freshmen corps members. As rings are presented, "Moonlight and V.P.I.," written in 1942 specifically for the Ring Dance by composer Fred Waring and lyricist Charles Gaynor, is performed. As the clock strikes midnight, the evening ends with an elaborate fireworks display on the Drillfield and the playing of "Silver Taps."

Turning of the Ring

For many years, it has been tradition for a current student to wear his/her class ring so that the name Virginia Polytechnic Institute and State University faces the wearer. Upon graduation, the ring is turned to face out to let the world know the wearer is a Hokie alumnus/a. Those who wear the ring proudly state to others, "I am a Hokie, a Virginia Tech graduate who understands the meaning of Ut Prosim (That I May Serve)." For more information or inquiries about the ring, contact the Virginia Tech Alumni Association at <http://www.alumni.vt.edu/classrings/> or 540/231-6285.

UNIVERSITY COMMENCEMENT SPEAKER

The Honorable Terence "Terry" McAuliffe

Terence "Terry" McAuliffe is the 72nd Governor of Virginia. He is a successful businessman and entrepreneur who has lived in Virginia for more than 20 years. He served as Chairman of the Democratic National Committee from 2001 to 2005, was co-chairman of President Bill Clinton's 1996 re-election campaign, and was chairman of Hillary Clinton's 2008 presidential campaign.

Long a believer in entrepreneurship and the free enterprise system, at the age of 14 McAuliffe started his first business, McAuliffe Driveway Maintenance, sealing driveways and parking lots. In 1985, McAuliffe helped found the Federal City National Bank, a small bank based in Washington, D.C. In January 1988, when he was 30 years old, the bank's board elected him chairman, making him the youngest elected chairman of a federally chartered bank in the history of the United States. Over the years, Governor McAuliffe has been involved in businesses ranging from banking, real estate, home building, and hospitality to internet venture capital.

In politics and business, McAuliffe has worked with people from all walks of life and different political backgrounds. Since becoming governor, he has focused on working in a bipartisan way to help grow Virginia's economy, expand access to health care, and increase educational opportunities for students.

As Governor, he has focused his administration on five strategic areas: promoting jobs and economic development, encouraging innovation and research, building a strong, healthy community, making state government accessible and efficiently managed, and protecting our natural resources.

Governor McAuliffe also has been dedicated to ensuring that Virginia is open and welcoming to all. On his first day in office, he signed Executive Order Number 1, which prohibits discrimination in state government based on sexual orientation or gender identity.

He also has launched *Data.Virginia*, a new online portal that will provide easy access to Virginia's open data and serve as an information clearinghouse for the Commonwealth's big data initiatives.

Governor McAuliffe and First Lady Dorothy McAuliffe were married in 1988, and they have five children.

The Governor received his undergraduate degree from Catholic University and a law degree from Georgetown Law School.

THE ACADEMIC PROCESSION

The following information, digested from “An Academic Costume Code and Ceremony Guide” prepared by the American Council on Education, may prove helpful in identifying the costumes you will see in the Commencement Procession.

When American colleges and universities desired to adopt some suitable system of academic apparel many years ago, a conference held at Columbia University in 1895 made up of representatives from various institutions drew up a “By-Law Regulation, or Statute” for the establishment of a suitable code of academic dress for colleges and universities in the United States. This code, with modifications made in 1959, is still in force; the costumes and colors, trimmings, and patterns you will see are all traditional and interpret both degree and the field of learning. The bachelor’s gown, designed to be worn closed, has pointed sleeves; the master’s gown, which may be worn open or closed, has an oblong sleeve open at the wrist which hangs down in traditional manner. The rear part of its oblong shape is square cut and the front part has the arc cut away. The doctor’s gown has bell-shaped sleeves. It may be worn open or closed. Bachelor’s and master’s gowns are untrimmed. Doctor’s gowns are faced with black velvet with three bars across the sleeves; or the color of velvet may be that which is distinctive of the degree, agreeing with that of the edging of the hood. The colors you will see in the hoods and gowns of our faculty represent the various fields in which the degrees were taken. A few are:

Accountancy, Commerce,	
Business	Drab (Yellow-Brown)
Agriculture	Maize (Pale Yellow)
Architecture	Blue-Violet (Purple)
Arts, Letters, Humanities.....	White
Economics.....	Copper
Education.....	Light Blue
Engineering.....	Orange
Natural Resources	Russet (Rust)
Philosophy	Dark Blue
Veterinary Medicine.....	Gray
Science.....	Bright Gold (Golden Yellow)

The hoods, differing in length for the three degrees, (bachelor’s, master’s, and doctor’s) are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other (for example, orange and maroon for Virginia Polytechnic Institute and State University). Hoods are edged and bound with velvet of the color appropriate for the degree. You will see in our procession many edged with dark blue, for doctor of philosophy. Mortarboards are the approved headgear. Tassels are worn on the right side prior to receiving a degree and on the left side after the degree has been conferred. The tassel may be of gold if the holder has a doctor’s degree.

Among the bachelor’s candidates, honor students are distinguished by special sashes in white.

ALMA MATER

Sing praise to Alma Mater dear,
For V.P.I. we'll ever cheer;
Come lift your voices, swell the song,
Our loyalties to her belong.

CHORUS

So stand and sing all hail to thee.
VT, all hail to thee.

The Orange and Maroon you see,
That's fighting on to victory;
Our strife will not be long this day,
For our glory lies within this fray.

All loyal sons and daughters, one,
We raise our banner to the sun;
Our motto brings a spirit true,
That we may ever serve for you.
